

CALL FOR PAPERS

Authors are cordially invited to submit papers for the upcoming edition

Vol.....

Manuscripts/papers can be submitted online via the EJEBS Editorial Management System (EMS) using the link provided below. [Link for submission](#)

Topics: EJEBS covers all areas related to engineering, biomedical science, and technology research fields. The topics are not restricted to those listed at the provided link [**CLICK HERE**](#)

EJEBS offers specific benefits for journal publications, including:

- Streamlined and rapid paper publishing process.
- Provision of a soft copy of the full paper available on our website.
- Issuance of individual soft copies of the "Certificate of Publication" to each author.
- Presentation of the paper in full color with journal cover pages for printing.
- Online publication of the paper.
- Inclusion in an open-access journal database for enhanced visibility and promotion of research work.

Paper Format:

The paper must provide clear descriptions of novel and meticulously validated results, along with detailed experimental procedures to facilitate verification by others. The paper may extend up to 15 pages, excluding references and abstract. To ensure efficient referencing and expedited publication, all manuscripts should adhere to grammatical correctness.

You can download the EJEBS Paper template in a Word document: [CLICK HERE**](#)**

There are no publication charges

Formal Acceptance Criteria:

- *Papers will be published exclusively in English.*

- *All papers must undergo refereeing following the IEEE style. The Editor retains the authority to decline any manuscript, whether solicited or unsolicited, and to propose suggestions and/or modifications before publication.*
